Available in up to 22 beautiful colors
Strongest lifetime protection plan

Board & Batten

Shake

Make your home *feel* more like home. Exterior design trends are moving towards combining shapes, lines, colors and finishes in harmonious or interesting ways to dream up homes that are beyond compare. Cedar Ridge helps you do

just that. Whether you have a look in mind or you're open to just about anything, the entire Cedar Ridge collection lets you experiment with exterior design to arrive at a home that expresses your personal style and vision.

5" Window Trim

3.5" Window Trim with Windowsill Lineal and Window Crown Molding

NATURAL BEAUTY

Cedar Ridge Trim and Accessories finish off the natural look of your home.

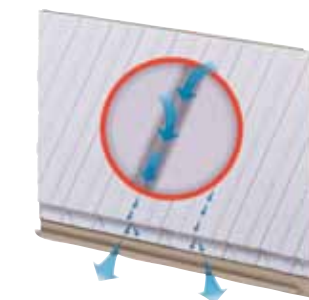

- 5" and 3.5" Lineal Trims encase windows and easily form part of the beautiful corner post system*
- Natural, smooth finish complements Cedar Ridge
- Colors coordinate to mix and match with siding
- Available in up to 17 colors

*Parts assemble easily for quick, efficient installation

PERFORMANCE ADVANTAGES

The Cedar Ridge rigid core backing system straightens wall imperfections and fortifies corners and windows.

With 300% more impact resistance and the ability to deaden sound by 45%, Cedar Ridge is virtually maintenance-free, never needs painting and is able to withstand hurricane-force winds up to 200 mph.

Our system of ridges and channels also significantly enhances moisture management, helping walls to aerate with ease.
