# PREMIUM IMPACT

## COASTAL WINDOWS & DOORS *Built-In Strength for Maximum Protection*

## STORM PROTECTION 24/7

### BENEFITS & FEATURES

- A full line of complementary products certified and designed to give you peace of mind
- Low maintenance of vinyl, virtually impervious to the elements allowing you the freedom to spend your time with other things besides costly painting
- Energy Efficient - can be ordered with ProSolar Shade for maximum solar heat gain protection
- Durable - PVC vinyl has been proven to stand up to the harshest conditions while providing excellent insulating qualities
- Engineered Strength - fusion welding and reinforced profiles create superior resistance to winds and air borne debris
- No unsightly metal shutter systems over every window. No stacks of plywood in the yard or garage.
- Fusion-welded frame, extruded vinyl provides better protection  
(Frame options available: Box, Box w/Fin, Box with Fin and J, Masonry Flange)

### ULTIMATE PROTECTION

From storms and hurricanes 24/7 by using impact resistant glass that will help keep your home safe from flying debris.

### SOUND CONTROL

Effectively eliminates up to 50% more noise than single pane glass. Carries an STC rating of 36

### SECURITY & SAFETY

The laminated glass, similar to your automobile windshield, provides an effective deterrent to theft and reduces the potential of injury from accidental glass breakage

### SOLAR PROTECTION

LowE coatings protect against harmful Ultra-violet (UV) radiation that can fade furniture, rugs and artwork

### GLASS OPTIONS

**Standard Glass:** Double-strength and laminated glass package with .090 PVB Interlayer for remarkable strength (1" IGU)

**Glass Options:** Tempered Obscure, Turtle Glass/Greylite, All Energy Star Climate Zone Packages, ProSolar, and ProSolar Shade

### COLLECTION of Choices

Double-Hung, Horizontal Roller, Casement, Awning, Picture, Geometric, Sliding Patio Door and Garden Door.

Flat and Sculptured Grids are available in 5/8" or 1" width. Available in Flat or Sculptured White, Tan and Bronze and Sculptured Brass.

### IMPACT TESTING performed at a certified AAMA lab site.

To pass these tests, the product must endure conditions that are more intense than a window or door is likely to ever experience in your home.

### OUTSTANDING PROTECTION

Our warranty certifies our commitment to total customer satisfaction. All PREMIUM IMPACT window/patio door vinyl components are backed by a transferable limited lifetime warranty (residential) that protects your investment.

**Lifetime Vinyl, Hardware, IGU, Screen  
20-year Accidental Glass Breakage Coverage  
10-year Factory Applied Exterior Coating**
